Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Local Lays and Legends: Fantastic and Imaginary As the Reader no doubt will quickly perceive, the contents of this volume were, with the exception of two Prose contributions, written for private perusal only: as to how and why they have been brought before the public, the writer need only remark, that had it not been through those frequent bursts of merriment with which the Rhyming portions for the most part have been received, (as he has been assured, from time to time), at the breakfast tables of his too indulgent friends, these at least would have remained in the local obscurity from which they sprung, and thus been lost to that admiring world, which, according to his hopes, and the authority of the before referred to friends, awaits with impatience their publication and attentive perusal! To be serious, however, the writer feels much hesitation in presenting such an incongruous collection of odds and ends (although they may have been enjoyed by a certain easily pleased circle) to the general Public, as he is aware how little there is in such a motley group, likely to be generally appreciated, and, if so, how little likely to be as charitably received, by that devouring and unhappily too discerning many-headed Monster!
