Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Genoveva Langworth)

THIS GAME OF GHOSTS

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, This Game of Ghosts, Joe Simpson, When Simon Yates cut the rope and sent his friend plummeting to an ordeal few mountaineers can have contemplated, the outcome was totally unpredictable. That Joe Simpson survived is a revelation of the power of the human spirit to overcome fear, pain and deprivation of almost unimaginable intensity. He did not expect to live it all over again - more than once. The first test was to write his award-winning account of the ordeal in *Touching the Void*. That meant dragging the terrifying experience out of the deeper shadows of his memory. Next another fall in the Himalayas crippled and almost broke him. He felt forced to test his nerve again and struggled on crutches to 20,000 feet on Pumori, near Everest. On his descent he heard that a young first-time climber had been killed by a chance rockfall. What sense could he make now of this game of ghosts that had claimed the lives of so many of his friends. In an attempt to find catharsis for his confused emotions he wrote this extraordinary memoir, in which he recalls the signposts directing him since childhood to measure fear and embrace the unknown.
