

Reference Map of Oceania: The Pacific Islands of Micronesia, Polynesia, Melanesia

Filesize: 5.12 MB

Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

University of Hawai i Press, United States, 2009. Sheet map, folded. Book Condition: New. 2nd Revised edition. 226 x 142 mm. Language: English . Brand New Book. Completely revised and updated with enhanced readability, James A. Bier s Reference Map of Oceania is the most comprehensive Pacific map in existence. Its main map and 52 inset maps of all major parts of the region provide a wealth of information in one source. Principal cities, towns, and villages are shown along with roads, topography, and population figures where available. The main map s Mercator projection is useful for planning routes. Time zones for the Pacific and individual countries are also included. It is the only map that clearly focuses on the political units of Micronesia, Polynesia, and Melanesia, using as its boundaries the 200-mile Extended Economic Zone. With more than 3,400 place names, Oceania will be an invaluable reference for everyone interested in or living in the Pacific islands, including teachers, students, historians, anthropologists, businesses, and travelers.
