Scribe Publications, Australia, 2012. Paperback. Book Condition: New. Facsimile edition. 196 x 130 mm. Language: English . Brand New Book. Do you know: why The dog followed Harry and I is wrong? How to avoid the construction The reason why.was because ? When to use fewer and when to use less ? All this - and more - was taught in Australian schools many decades ago. Exercises to spell accurately, pronounce words well, and construct grammatically sound sentences were administered to student as young as eleven and twelve. Through books such as The New Graded Word-Book for Australian Schools, students expanded their vocabulary and learned the conventions of English grammar. The Word-Book covers a range of topics from prepositions to participles, as well as reproducing spelling lists from state departments of education, and extracts of examination papers from UK universities and civil-service tests. Now, in an era when hardly anybody knows how to use comprise correctly, or the difference between uninterested and disinterested , the language foundations we ve left behind look more than quaint. They might even be useful.
