Three hundred years in our future, in a world of alien infiltrators, religious hackers, a vast convoying nation of Nomads, city sized orbital elevators, and a cyborg pirate king who believes himself to be a mythological demon Jakob is having a bad day: Nothing gets in the way of a hangover like being reactivated by your old C.O. and told to track down an alien killing machine. The same kind of killing machine that wiped out my entire squad. And now it s in my hometown. My name is Jakob Douglas, ex-special forces. I fought Them. The only people I can rely on want to turn the internet into God. And now it turns out that They aren t quite what we d all thought. I ve been to the bottom of the sea and the top of the sky and beyond trying to get to the truth. And I still can t get far enough away from the Grey Lady.
