Elsevier Health Sciences, United Kingdom, 2005. Paperback. Book Condition: New. 2nd Revised edition. 244 x 188 mm. Language: English . Brand New Book. This book is an essential resource for health visiting students that reflects the key changes required of health visiting practice at the beginning of the new millennium. It is a key text for specialist practitioner programmes and also for existing practitioners who are furthering their practice and academic development. It brings together the elements of theory and practice which are essential to health visiting practice. The book is research based and uses relevant evidence to support discussions. A particular strength is the use of case studies and practice examples to illustrate the theoretical discussions.
