Have you ever heard the term meningioma? he asked. Unfortunately, I had. Betty Giguere had a brain tumor-a meningioma. It wasn t cancer, but that isn t a great comfort when a tumor is growing in your brain. This is a story of how a brain tumor, through God s divine intervention, changed her life forever. It is about choosing to adopt courage over fear, hope over despair, and coping over giving up. When it would have been easy to become overwhelmed by doubt, fear, and despair, Betty chose faith. She learned that there is life after trauma. It can be a juncture for change, rebirth, and belief. A brain tumor became a new opportunity to get her life in order and focus on what really matters. God-the author of life, her divine catalyst for change-brought Betty from death s door to healing, from anguish to calm. Real life survivor Betty Giguere tackles the tough questions, from the nitty gritty of what s happening to me? to the bigger picture, does God care? Honestly and tenderly written, this book will touch the heart of anyone touched by a major trauma, offering a new opportunity to focus on what really matters. Sharon K. Turney, writer/lyricist, owner of KidsWorks Music.
