ESSAYS ON DEVELOPMENT STRATEGY, REGIONAL DISPARITIES AND CENTRE-STATE FINANCIAL RELATION IN INDIA

Academic Foundation, 2005. Hardcover. Book Condition: New. The present volume brings together A author`s papers on the three related themes, viz., Development Strategy, Regional Disparities in Development and Centre-State Financial Relations in India. Written on different occasions over a period of more than three decade while the author worked at the Institute of Economic Growth, Delhi and also in the Planning Commission, until 1992 and thereafter, as an Honorary Professor, at the Centre for Economic and Social Studies (CESS), Hyderabad, they reflect the understanding and approach prior to the launching of economic Reforms in the early 1990s as well as in the post-reform period. The 30 Essays included in this book highlight author`s approach and the position taken on these three major interrelated issues which are of continuing Interest and concern in the current Academic and Policy discussions. Needless to say, here`s an extremely useful book for students of Indian Economy and a valuable guide for policymakers, researchers and economic analysts. Internationally recognised expert and one of India`s most distinguished economists, C.H. Hanumantha Rao has contributed immensely to a better understanding of India`s economy. Often quoted and re-quoted over the years, his meticulously prepared Research papers and Analytical writings have enlightened students, senior researchers and policymakers alike. It is most appropriate that a good mjority of his relatively less accessible, "although academically most relevant, writings are collected, thematically arranged and presented together at one source. The present volume is an humble attempt towards this end along with a separately published `companion` volume entitled "Essays on Agricultural Growth, Farm Size and Rural Poverty Alleviation in India." Together, these volumes are a perfect tribute to the rare scholarship of this most unassuming, yet most outstanding scholar, on his 75th birthday. Contents Introduction I. DEVELOPMENT STRATEGY : 1. Chakravarty on Development Strategy in...
