

## Tempest's Course (Paperback)

By Lynette Sowell

Abingdon Press, United States, 2013. Paperback. Book Condition: New. 226 x 140 mm. Language: English . Brand New Book. Kelly Frost, a textiles conservator, is invited to the Massachusetts coastal town of Fairhaven to restore the centuries-old Mariner's Compass quilt. But there is one stipulation: she must live and work in Grey House, a former whaling captain's home, where the quilt is stored. There she meets Tom Pereira, the caretaker of Grey House, whose heart seems as hard as the rocky Massachusetts coastline. Over the long-lit months as Kelly works to restore the quilt, she is buoyed by occasional afternoon visits from Tom and other Fairhaven town members, and is drawn into their lives. And each night, as she reads stories in a daily journal penned by Mary Grey, she learns details about her newfound community members that help her see that their lives are as vivid and interwoven as the quilt pieces she is working to restore. But, when Kelly discovers a truth about Tom's heritage hidden in the journal, she must decide if keeping the past to herself is the only way to ensure the hope of a future with Tom.

### Reviews

*The best ebook i possibly read. I have go through and i also am sure that i am going to planning to read once again again later on. Its been printed in an extremely simple way which is simply after i finished reading through this ebook by which basically changed me, alter the way i really believe.*
