The future of the subject had a relation to current political questions which it would be out of place to allude to in this Society, but dealing only with its history, which was a legitimate subject of research, he, the President, felt that the experience of the past had not proved valueless to the Japanese, and that while Hideyoshi was not the only military leader who from motives of personal ambition had plunged his country into a disastrous war, he believed that when the next chapter of Japanese intercourse with Korea came to be written it would furnish a brighter record for this country than that which formed the subject of these papers. Mr. Chamberlain thought it worthy of notice that no mention was made in any of the authorities consulted by Mr. Aston of the supposititious invasion of Korea by the Empress Jing6 K6g6,...
