They ran as fast as they could and dove down between the rocks and covered their faces as the sandstorm blew over them. Zameenie was gazing into his magic pendulum watching as the sand covered them. He threw his head back and roared with evil laughter. Well, King, that should be the end of those three. No more of my gold stars will be taken. When Jenny missed the school bus on the last day of school, she had no idea about the adventures in store for her! In many ways Jenny was a typical young girl. She had a close-knit family, performed well in school. She was a daydreamer and perhaps a little shy at times. How could she be prepared for the wonder, the magic, and the danger of Star Island? Gold Stars and Daydreams is the adventurous tale of a young girl who finds herself in the most unlikely of places. With the help of her friends, she sets out on a quest for six gold stars, stolen by an evil genie. Will Jenny be able to come to the rescue of the people of Star Island?.
