Orion Publishing Co, United Kingdom, 2004. Paperback. Book Condition: New. 174 x 112 mm. Language: English . Brand New Book. The beginning of a new trilogy from perhaps the most significant SF writer of the 21st century and co-author with Terry Pratchett of the Long Earth books The first in a new trilogy that will chart different evolutionary futures for mankind, COALESCENT is the story of a divergent strain of humanity; a hive mind, that subsumes the individual. It is a story that begins with a vivid depiction of the decline of the Roman Empire and which, down through the years, shows how one woman s determination to protect her daughter has such frightening consequences for mankind s future existence. This is at once a stunning historical novel, a superb piece of ideas-driven SF and the intensely felt story of one man s discovery of the dark secret at the heart of his family.
