

Nature and Its Natural Laws: A Practical Treatise on Poultry Culture for Market and Profit (Classic Reprint) (Paperback)

Filesize: 4.72 MB

Reviews

Definitely one of the better ebook I have possibly read through. It usually will not charge excessive. You wont feel monotony at anytime of your own time (that's what catalogues are for regarding if you check with me).

(Prof. Jean Dare)

NATURE AND ITS NATURAL LAWS: A PRACTICAL TREATISE ON POULTRY CULTURE FOR MARKET AND PROFIT (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Nature and Its Natural Laws: A Practical Treatise on Poultry Culture for Market and Profit This Book will help the experts. It is also intended for those who are about to go into the Poultry business as a business on a large or small scale, and for hatching and raising by incubators and brooders for market purposes. All Poultry breeders have followed a few experts on Poultry and 999 out of every 1,000 failed who followed those so-called experts. Why? Because they really did not know how to instruct the breeders. They themselves could not prevent diseases, could not hatch or raise enough to make it pay. Not one of the experts, professors, doctors or writers of Poultry, etc., made it a special study for fifteen years. I honestly believe that all experts tried their best, and did not intend to mislead anyone who went into the business. Not one in fifty who have written books on Poultry and who have written articles in Poultry papers were practical and experienced on a large scale. They have tried it in a small way in their back yards, raising fifty to 100 chicks every year, and what they did raise, I dare say were not free from disease, nor did they raise half what they hatched. There are really only about fifty large breeders who raise 5,000 Ducks and Poultry every year. These make it pay by hard work and at a great expense. If the whole truth were known not half of these fifty can raise over half what they hatch. This is a great loss to breeders and this is the cause of so many...
