Brand New Book ***** Print on Demand *****.When it comes right down to it, it is really a simple question, who would you kill? Who and how many? You have just left the doctor s office, and you have been given the gift of terminal cancer, the gift of time, time to die. You are among the lucky; death will become whatever you choose to make of it. Either fight the good fight, or crawl in bed and fade away, the choice is yours. Among life s uncertainties, there is one certainty. All who have lived have been wronged. Revenge is always an option, but revenge has consequences. The day Cliff Masterson received his gift of cancer, his gift of time, was the most invigorating and exciting day of his life. Whatever time he had left was his. There would be no loose ends left in his life.
