One Bean (Paperback)

By Anne Rockwell, Walker Company, Walker Co Staff

Walker Childrens, United States, 1999. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book. What happens when you plant just one little bean? A fundamental childhood experiment charmingly unfolds in this first science book about planting and observation. A perfect balance of simple narration and cheerful, thoughtful three-dimensional paper sculptures just right for the very young, One Bean carefully and joyfully takes the young observer step-by-step through a plant's growth cycle, from planting the bean in a paper cup to the tasty results. Created with respect to the developmental needs of the youngest learner, here's a concept book that tips its hat to children's never-ending curiosity about the world around them.

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
