Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book was created with intent, soul, and purpose to bring a positive light to black love in general. So many times black love is seen as mediocre and nonexistent. We are seen as; we don't love ourselves, don't love our women, don't love our men, don't love our children and don't love our skin. No sense of pride. No knowledge of heritage. We've been seen as blindly walking through life not once feeling the warmth of black love, self-love, self-pride. It's just a small piece to the big puzzle. We have to show pride in our love, be passionate, show our Kings and Queens a love like no other, and not be afraid to speak that passion in pleasure and power. We have to take pride in our skin and stop letting shades separate us. Our story is in this melanin, not history, our story. Bring back black and proud. Get angry at the doubters and arm yourself with knowledge and self-love so that the cycle ceases. Get back to our history, our roots, not saying you have to be engulfed in it just be proud of it and not be ashamed to wear it. This book is also a tool to find words, quotes, poems and anything positive that exudes positivity when it comes to black love. I am black love, I am positive black love.
